Education

Bachelor of Animation 2017-2021
Sheridan College, Oakville, ON

Experience and Projects

Atomic Cartoons (Vancouver), Junior Storyboard Artist   *(June 2021 - Sept 2022)*
- Created storyboards for Netflix's *My Little Pony: Make your Mark*.
- Worked collaboratively with a team to portray expressive cinematography and character acting, bringing out the best from a script

Titmouse (Vancouver), Animator   *(May-September 2020)*
- Created rough animation for Netflix's movie, *Arlo the Alligator Boy*
- Honed work ethic and delivered scenes under the pressure of deadlines

Kongregate (San Francisco)**,** Game Artist   *(May-August 2019)*
- Worked on various mobile games (i.e. TMNT: Mutant Madness and Pocket Politics 2)
- Responsibilities included animation, character/prop design, particle effects, environment design, and storyboarding.

Chowder House 3rd Year Film, Storyboard Supervisor   *(September 2019-April 2020)*
- Oversaw storyboard production on the year-long construction of a 6-minute film.
- Developed multi-tasking skills by pitching ideas, adjusting weaknesses in other members' boards, and delegating tasks to ensure deadlines were met.

Animation Jam   *(2018-2019)*
- Collaborated with other classmates to create two expressive animated music videos.
